

## Zebra ZT411 600 x 600 DPI Avec fil & sans fil Thermique direct/Transfert thermique Imprimantes POS

Marque : Zebra

Code produit: ZT41146-T010000Z

Nom du produit : ZT411

Zebra ZT411. Technologie d'impression: Thermique direct/Transfert thermique, Type: Imprimantes POS, Résolution maximale: 600 x 600 DPI. Épaisseur du papier à imprimer: 0.058 - 0.25 µm, Largeur maximum d'impression: 10,4 cm, Longueur max. du support: 450 m. Technologie de connectivité: Avec fil & sans fil, Type d'interface série: RS-232, Interfaces standards: Bluetooth, Ethernet, RJ-45, RS-232. LAN Ethernet : taux de transfert des données: 10,100 Mbit/s. Codes barres intégrés: Code 11, Code 39, Code 93, EAN13, EAN8, UPC-A, Mémoire interne: 512 Mo, Supports de stockage: Flash

| Vitesse d'impression                         |                                               | Design                                            |                |
|----------------------------------------------|-----------------------------------------------|---------------------------------------------------|----------------|
| Résolution maximale                          | 600 x 600 DPI                                 | Écran intégré                                     | ✓              |
| Vitesse d'impression                         | 2,4 ips                                       | Affichage couleur                                 | ✓              |
| Technologie d'impression *                   | Thermique direct/Transfert thermique          | Taille de l'écran                                 | 10,9 cm (4.3") |
| Type *                                       | Imprimantes POS                               | Puissance                                         |                |
