

## Zebra ZT411 203 x 203 DPI Avec fil & sans fil Thermique direct/Transfert thermique Imprimantes POS

**Marque :** Zebra

**Code produit:** ZT41142-T5100A0Z

**Nom du produit :** ZT411

Zebra ZT411. Technologie d'impression: Thermique direct/Transfert thermique, Type: Imprimantes POS, Résolution maximale: 203 x 203 DPI. Épaisseur du papier à imprimer: 0.058 - 0.25 µm, Largeur maximum d'impression: 10,4 cm, Longueur max. du support: 450 m. Technologie de connectivité: Avec fil & sans fil, Type d'interface série: RS-232. LAN Ethernet : taux de transfert des données: 10,100 Mbit/s. Codes barres intégrés: 1D, 2D, Mémoire interne: 256 Mo, Capacité de stockage interne: 512 Go

| Vitesse d'impression                         |                                      | Caractéristiques                                  |                |
|----------------------------------------------|--------------------------------------|---------------------------------------------------|----------------|
| Résolution maximale                          | 203 x 203 DPI                        | Capacité de stockage interne                      | 512 Go         |
| Vitesse d'impression (mesure métrique)       | 356 mm/sec                           | Design                                            |                |
| Technologie d'impression *                   | Thermique direct/Transfert thermique | Couleur du produit *                              | Noir, Gris     |
| Type *                                       | Imprimantes POS                      | Écran intégré                                     | ✓              |
