

StarTech.com C6PATCH5GR câble de réseau Gris 1,5 m Cat6 U/UTP (UTP)

Marque : StarTech.com

Code produit: C6PATCH5GR

Nom du produit : C6PATCH5GR

StarTech.com C6PATCH5GR. Longueur de câble: 1,5 m, Câble standard: Cat6, Blindage du câble: U/UTP (UTP), Connecteur 1: RJ-45, Connecteur 2: RJ-45, Contacts du connecteur de placage: Or, Taux de transfert de données: 1000 Mbit/s, Couleur du produit: Gris

| Caractéristiques                  |                          | Caractéristiques                                                |              |
|-----------------------------------|--------------------------|-----------------------------------------------------------------|--------------|
| Couleur du produit *              | Gris                     | Connexion Ethernet, supportant l'alimentation via ce port (PoE) | ✓            |
| Longueur de câble *               | 1,5 m                    | Câble avec protection anticoupure moulé                         | ✓            |
| Câble standard *                  | Cat6                     | Plug and Play                                                   | ✓            |
| Blindage du câble *               | U/UTP (UTP)              | Certificat                                                      |              |
| Connecteur 1 *                    | RJ-45                    | Certificats de conformité                                       | CE, RoHS     |
| Connecteur 2 *                    | RJ-45                    | Contenu de l'emballage                                          |              |
| Genre de connecteur 1 *           | Mâle                     | Quantité                                                        | 1 pièce(s)   |
| Genre de connecteur 2 *           | Mâle                     | Informations sur l'emballage                                    |              |
| Contacts du connecteur de placage | Or                       | Largeur du colis                                                | 199 mm       |
| Matériau du manteau               | Polyvinyl chloride (PVC) | Profondeur du colis                                             | 142 mm       |
| Type de conducteur                | Gainé                    | Hauteur du colis                                                | 22 mm        |
| Matériau conducteur               | Cuivre                   | Données logistiques                                             |              |
| Intensité nominale du câble       | CMG (CM)                 | Largeur du carton principal                                     | 370 mm       |
| Technologie de câblage            | 10/100/1000Base-T(X)     | Longueur du carton principal                                    | 412 mm       |
| Type d'interface Ethernet         | Gigabit Ethernet         | Hauteur du carton principal                                     | 284 mm       |
| Taille des fils AWG               | 24                       | Quantité par carton principal                                   | 120 pièce(s) |
| Taux de transfert de données      | 1000 Mbit/s              |                                                                 |              |
| Fréquence                         | 650 MHz                  |                                                                 |              |
