

## DELL AB120716 module de mémoire 32 Go 1 x 32 Go DDR4 260-pin SO-DIMM

Marque : DELL

Code produit: AB120716

Nom du produit : AB120716

Memory Upgrade - 32 GB - 2RX8 DDR4 SODIMM 3200 MHz

DELL AB120716. composant pour: Ordinateur portable, Mémoire interne: 32 Go, Disposition de la mémoire (modules x dimensions): 1 x 32 Go, Type de mémoire interne: DDR4, Fréquence de la mémoire: 3200 MHz, Support de mémoire: 260-pin SO-DIMM

### Caractéristiques

|                                                    |                           |
|----------------------------------------------------|---------------------------|
| Mémoire interne *                                  | 32 Go                     |
| Disposition de la mémoire (modules x dimensions) * | 1 x 32 Go                 |
| Type de mémoire interne *                          | DDR4                      |
| Fréquence de la mémoire                            | 3200 MHz                  |
| composant pour *                                   | Ordinateur portable       |
| Support de mémoire *                               | 260-pin SO-DIMM           |
| ECC *                                              | ×                         |
| Type de mémoire mise en cache                      | Unregistered (unbuffered) |

### Caractéristiques

|                      |                                                                                                                                                                                                                                                                    |
|----------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Niveau de mémoire    | 2                                                                                                                                                                                                                                                                  |
| Mémoire de tension   | 1.2 V                                                                                                                                                                                                                                                              |
